NEW REVITALIFT® UV

With *Mexoryl™ SX*
(*Ecamsule*)

For Exceptional
UVA Protection

DID YOU KNOW?

UVA rays are the #1 cause of skin aging, causing up to 80% of wrinkles, collagen breakdown and discolorations.

WHY THIS DAILY MOISTURIZER WORKS:

REVITALIFT UV with Mexoryl™ SX (Ecamsule), has a new sun-filter that provides exceptional protection against the UVA rays that cause skin-damage year-round, even through windows and clouds.

Protect and correct your skin year-round.
