- **High in Meat, Poultry, and Fish Protein** – Prairie diets are high in meat, poultry, and fish protein. This animal sourced protein provides essential amino acids to help nourish pets’ muscles and build strong bones to keep them strong and energetic.
- **Healthy and Wholesome Formulas** – Prairie diets also contain hearty, whole grains and wholesome fruits and vegetables (such as carrots, peas, and apples), which are natural sources of nutrients and antioxidants and help support a healthy immune system.
- **Natural and Healthful Ingredients** – Prairie chooses every ingredient with care for the health and well-being of pets. Prairie does NOT include, corn, wheat, soy, artificial flavors, colors or preservatives.
- **Formulated for All Life Stages** – Prairie kibble and canned diets are complete and balanced for all life stages, including puppies/kittens, adults, and seniors.
- **Prairie diets are available in various formulas and sizes for dogs and cats:**
  - Canine Prairie Kibble: Beef Meal & Barley Medley, Chicken Meal & Brown Rice Medley, Lamb Meal & Oatmeal Medley, New Zealand Venison & Millet Medley, and Salmon Meal & Brown Rice Medley (bag sizes: 5 lbs., 15 lbs., and 30 lbs.)
