

## As a sixth-year partner in the *Thanks and Giving* campaign,

Nine West is proud to continue its steadfast commitment to St. Jude Children's Research Hospital and its life-saving mission of providing treatment for children.

“We are thrilled that Nine West is once again a part of our annual *Thanks and Giving*<sup>®</sup> campaign... said **Marlo Thomas**, National Outreach Director.

“Their dedication to the campaign has an enormous impact on the lives of countless children and their families in communities across the country. I know their customers will be inspired by their caring and generous decision to “give the boot” to holiday decorations so that they can give those much-needed funds to St. Jude.”
