Rossella Nappi**

Professor Rossella Nappi

Professor Rossella Nappi is Assistant Professor of Obstetrics and Gynecology at the Research Centre for Reproductive Medicine, IRCCS Maugeri Foundation, University of Pavia, Italy.

Professor Nappi is President of the International Society for the Study of Women's Sexual Health (ISSWSH). She is also currently a board member of the Italian Society of Gynecological Endocrinology, the Italian Society of Gynecology of the Elderly, the Italian Society of Psychosomatic Obstetrics and Gynecology, treasurer of the Lombardy Society of Obstetrics and Gynecology, and a board member of the Master's course in clinical sexology at the University of Pisa, Italy. Professor Nappi is principal investigator of a large number of clinical trials in several areas of women's well-being (contraception, menopause, migraine, premenstrual syndrome, and sexuality).

Further, Dr Nappi is Consulting Editor of the "Neuroendocrinology" section of the international journal, *Functional Neurology*, and a member of the editorial board of *Sexual and Relationship Therapy*.

Dr Nappi's primary area of interest is the psychoneuroendocrinology of female reproductive life and women's sexuality. She has published more than 100 peer-reviewed publications and authored 5 scientific books.

She is a co-organiser of several meetings and courses in the fields of gynecological endocrinology, physiopathology of reproduction, obstetrics and gynecology, and sexology.
