FOR IMMEDIATE RELEASE

Introducing Encore, The New Signature Resort in the Wynn Collection

LAS VEGAS—Wynn Resorts continues to set new standards for pre-eminent luxury in Las Vegas with the premiere of Encore, the new signature resort in the Wynn collection. The resort is scheduled to open in December 2008 with reservations now being accepted for dates starting in early 2009.

Located next door to flagship property Wynn Las Vegas, Encore is a distinct resort destination with its own repertoire of suites, culinary offerings and leisure activities. Among the highlights will be five new restaurants, 11 retail outlets, an ultra-chic nightclub (XS) and a luxurious spa and salon. Encore takes a casually elegant approach to ambiance. A European-inspired pool area and vibrant atrium are centerpieces of the Encore experience. The interior design elements include a landscape of foliage, sunlight, pools of water, candlelight and layers of richly textured materials.

Encore's accommodations are comprised of 2,034 spacious suites that offer style and sophistication ensconced in a comfortable, residential feel. Featuring Resort Suites spanning 700 square feet and Tower Suites measuring up to 5,800 square feet, the resort pampers guests in an atmosphere both intimate and indulgent.

Encore offers 60,000 square feet of custom-designed, highly configurable event space, from private boardrooms to an expansive, column-free ball room. The facility is conveniently connected to Wynn Las Vegas, where an additional 200,000 square feet of space is available. Reservations can be made by calling 702-770-7800 or by visiting www.wynnmeetings.com.
