## **Wynn Las Vegas, a Mobil Five Star and AAA Five Diamond Resort**

LAS VEGAS — Wynn Las Vegas prides itself on its ability to provide an exceptional guest experience. Inside the 50-story, 2,716-room resort luxury and intimacy abound at every turn. The resort offers award-winning accommodations, signature restaurants, exciting leisure activities and nightly entertainment.

World-class dining is a cornerstone of the Wynn Las Vegas experience. The resort offers a collection of imaginative signature restaurants to choose from, each with a unique Wynn twist. The renowned troupe of chefs tapped to create the cuisines have not just prepared the menu, they are also in the kitchen nightly preparing the meals. With nine fine-dining restaurants, six casual restaurants and six lounge bars to choose from, there is a savory option to suit any occasion or craving. The dining experiences at Wynn Las Vegas were recognized in 2008 by the prestigious Mobil Travel Guide, American Automobile Association and Michelin Guide.

Whether the purpose of the visit is a Vegas-style romp or a relaxing retreat, Wynn Las Vegas has a multitude of entertainment options, activities and amenities to transport guests worlds away from their everyday. And nothing offers more of an escape than *Le Rêve*. Presented exclusively at Wynn Las Vegas, the aquatic live production *Le Rêve* offers breathtaking performances featuring aerial acrobatics, provocative choreography and artistic athleticism in an intimate theater in-the-round.

Nightlife at Wynn Las Vegas offers an opportunity to see and be seen inside the chic 12,000 square foot nightclub, *Tryst*. A name evocative of an intimate rendezvous spot for lovers, guests will find a main room with open air and a sizable dance floor extending into a breathtaking 90-foot waterfall that cascades into a secluded lagoon. For a slightly more intimate outing, guests are invited to discover the new boutique nightclub, *Blush*, and experience the energetic club throughout the course of an evening.

The excitement of Wynn Las Vegas nights are countered by the serenity of the Mobil Four Star-rated spa and *The Salon*, where the treatment rooms, luxurious products and professional staff create a sanctuary for guests. For those who take a more active approach to their relaxation, there are heated pools artfully set amid manicured gardens, a fitness center furnished with state-of-the-art equipment and a breathtaking, 18-hole, 7,042-yard, par 70 golf course designed by world-renowned architect Tom Fazio and Steve Wynn.

One of the thrills of Wynn Las Vegas is its incredible array of exclusive shopping boutiques housed in approximately 75,000 square feet of exquisitely designed retail space. The Wynn Esplanade features the only U.S. boutique outside of Manhattan from famous footwear designer Manolo Blahnik and America's only Rolex branded store. The repertoire of retailers includes *Brioni, Cartier, Chanel, Dior, Graff, Alexander McQueen, Jo Malone, Louis Vuitton, Oscar de la Renta and Wynn & Company Jewelry*. The eponymous *Wynn LVNV* also features home furnishings and accessories inspired by the rooms and restaurants of the resort. If help is needed with the vast selection, personal shoppers are always on call.

Another exclusive for Wynn Las Vegas is the 10,000-square foot Penske/Wynn Ferrari-Maserati dealership, situated right off of the main casino floor and aimed at those guests who will be returning to the fast lane when their visit to the resort concludes. Services include new and pre-owned vehicle sales, full factory-authorized parts and repairs and complete detail services. The adjoining Ferrari Store features a distinctive collection of Ferrari merchandise including active-wear, collectibles and memorabilia.
